

**Grade 7**

**Hello dear students,**

**Hope that you enjoy the video and understand it well. We have already explained the first part (comparative and superlative of adjectives) the second part is about (comparative and superlative of adverbs). Try to understand the lesson and do the exercises in your book as noticed in your diary.**

**I love you and hope Seeing you soon.**

Watch the explanation from the link below then do the exercises in your SB.
